Black Lady's laughter is heard. Chibiusa runs faster and faster.

"You can't escape me! CHI-BI-U-SA!"

*No, this is a nightmare! I have to wake up!* But she's unable to do so. Black Lady appears in front of her and Chibiusa screams.

"There you are."

"I... I can defeat you!" Said Chibiusa, trying to hide her fear. "Pink Moon Crystal Power Make Up!"

Chibiusa transforms into Eternal Sailor Chibi Moon.

"No, that's impossible!" Black Lady said.

She thought that Chibiusa's fear would prevent her from transforming, but she was wrong.

"I'm the pretty Little Guardian in a sailor suit and I fight for love and for justice! I am Eternal Sailor Chibi Moon! In the name of the future moon, I'll punish you!"

"Do you think you can scare me with your words?"

"No," said Chibi Moon as she conjured up her Eternal Tiare "but with this, I can!"

"That's... oh no. NO!"

Black Lady surrounds herself with evil energy.

"Starlight Honeymoon Therapy Kiss!"

But Chibi Moon's attack destroys her meager protection and disintegrates Black Lady. Then Chibiusa manages to wake up. *That was strange... Black Lady looked so real.* Nevertheless, the little princess is safe.
